

WELCOME TO YOUR CONFIGURATION STUDIO

Make ZONA your own.

Find a gesture you love.
Build a surface that works the way you do.

START WITH AN IDEA

Explore Playground

Discover configurations. Try one. Make it yours.

↗

START WITH A BLANK SURFACE

Build in Sandbox

Arrange controls and choose what each gesture does.

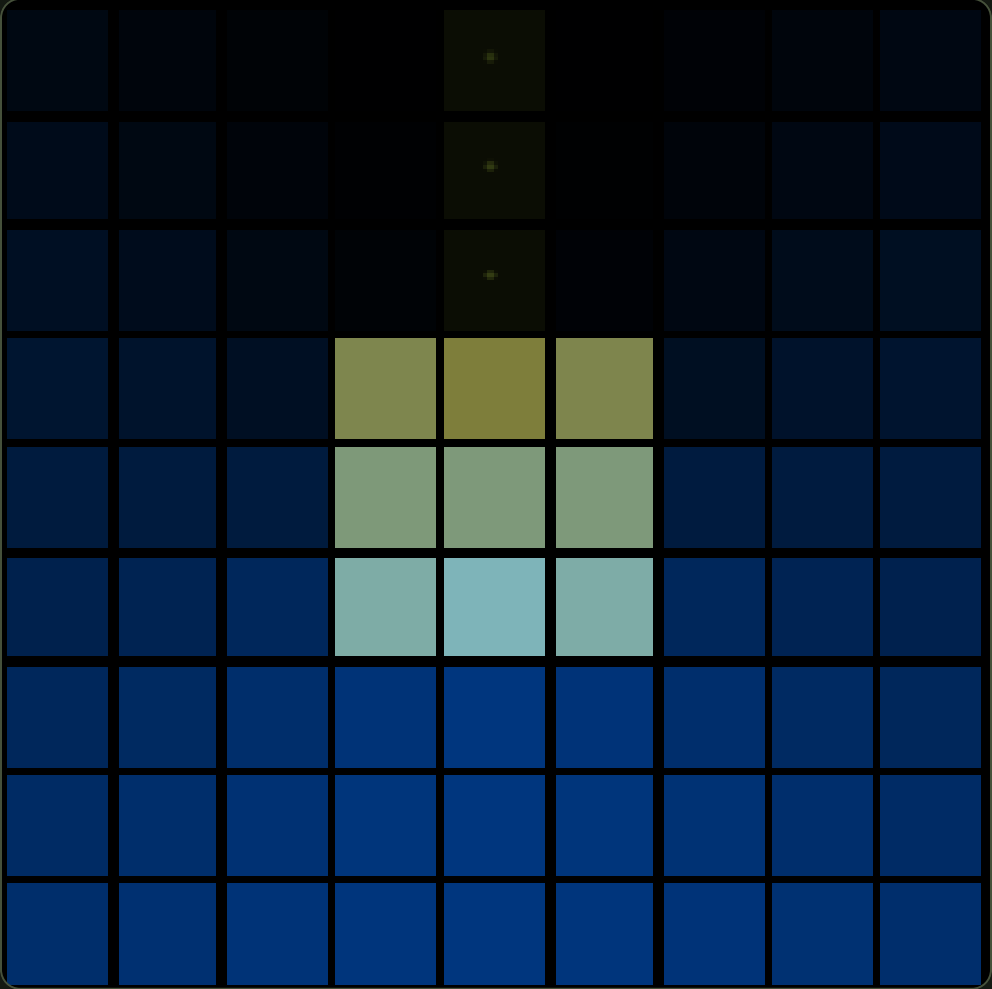

+

Already have a configuration? [Import config ↗](#)

- Start in browser preview. Connect ZONA when you're ready.

TRY THE SURFACE

BROWSER PREVIEW

ARC / MODULATION

Drag across the surface to preview

01 **Explore**
Find a configuration or start from scratch.

02 **Shape**
Tune the behavior, color, and MIDI mapping.

03 **Apply**
Send your configuration to ZONA.
